The regular quarterly meeting of the Board of Trustees of the Corcoran Gallery of Art was held at the Gallery at 10:30 o'clock. The meeting was called to order by Mr. Hamilton, the other members present being Messrs. Glover, Bradley, Wilson, Finley and Gray. The Secretary, Assistant Secretary and Assistant Treasurer were also present.

The Chair stated that in the absence of objection, the minutes of the Board Meeting of April 26, 1965 be approved as written.

In the absence of the Treasurer, the Assistant Treasurer presented the Interim Report, covering the period April 23, 1965 through October 22, 1965. It was ordered filed with the minutes of the meeting.

The Chair then reported on the Operation of the Budget which showed that approximately 66% of the total budget had been expended, a percentage normal for the period covered.

The Secretary presented the final financial reports of various special exhibits held over the last several years. Copies of the reports are filed with the minutes of the meeting.

The Chair reported on the operation of the Art School for the school year September 1, 1964 to August 31, 1965. The statement showed receipts of $233,313.49 and disbursements of $206,007.86, leaving an excess of income over disbursements of $27,305.63. This represents an increase of approximately 100% over the preceding school year 1963-1964. The totals quoted above include the receipts and disbursements of the Summer School, which showed a steady growth from 1962 to the present.

The matter of investigating the practicability of adopting a funded pension plan for Gallery employees was referred to the Treasurer for recommendation.

An appropriation of $1,550 was authorized to cover the expenses of the Assistant Director in traveling to Peru and for living expenses while there, in connection with the selection of the exhibition of contemporary Peruvian art.

The following resolutions were unanimously adopted:

He stated that it was his intention to include a statement to this effect in the forward of the current exhibition catalogue as notice to artists of the community of the Gallery's position.

At the suggestion of the Chair, the Secretary then read a letter from Mrs. Edith Halpert dated October 21, which stated Mrs. Halpert's intention to sign an agreement with the Gallery by the end of the current calendar year and hopefully during the month of November, covering the donation to the Corcoran of the collection of 20th Century American Art. The Chair then outlined to the Trustees the area in the Gallery which was suggested be used to establish the Gallery of 20th Century American Art, which is comprised of the eight galleries numbers 58, 62, 63, 64, 65, 66, 67 and 68 on the second floor bordering the atrium. It was brought out that these galleries would house not only all the paintings now belonging to the Corcoran executed since 1900 but would also include those given the Gallery by Mrs. Halpert and all future additions of 20th Century American art coming to the Gallery by purchase, gift or bequest. The Gallery's 18th and 19th Century American art would be exhibited on the first floor in the area immediately beneath the galleries mentioned. In this way the visitor would be able to see the development of American art from the past to the present in contiguous areas. The Chair stated that he would write Mrs. Halpert stating the Trustees' pleasure at the prospect of being given the collection and offering all possible aid in making the legal transfer and express the hope that the gift would be consummated before the end of the current calendar year.

Mr. Bradley then presented the report of the Committee on the Building and Grounds, which was accepted and ordered filed.

The Chair stated that he had, following the April meeting, appointed a special committee composed of Messrs. Bradley, Gray and Hamilton to select an architect, but that no meeting of the committee had been held since it was not considered advisable to do so until a definite commitment had been made by Mrs. Halpert.

Mr. Bradley reported that the firm of Frank J. Sullivan and Company had been engaged for the sum of $500 to make a survey of air-conditioning the Gallery and that a report could be expected in about three weeks.

The Secretary then read excerpts from the report of the Supervisor of Extension Services covering the period June 1, through September 30, 1965, which showed that membership has risen to 4,342, an increase of 565 members and the largest number since the inception of the program. He stated that income from the sales desk had dropped for the period from about $7,000 in 1964 to about $5,000 in 1965 and that attendance also showed a decrease of 2,600 visitors for a total of 40,141. Income from the art rental service rose from $1,886.50 to $3,295.50 over the corresponding quarter of the last year. The report was ordered filed.

The following resolution was unanimously adopted:

RESOLVED: That the following persons, having been found to qualify for promotion in the Association of the Corcoran Gallery of Art, be and are hereby so elected:

BENEFACTOR: The Ford Foundation

PATRON: The Friends of the Corcoran

DONOR: Katherine Culver Williams

The Chair reported that the Special Committee to advise the Trustees, which was appointed at the April 26 meeting 1965, had not met during the past summer, but he, Mr. Kreeger and the Treasurer had met and discussed various topics connected with the Gallery's financial position and prospects. It was anticipated that a meeting would be held as soon as the Halpert matter comes to a definite conclusion.

The consideration of the election of Michael Whitney Straight as a member of the Council was deferred until the next meeting.

There being no further business, the meeting was adjourned at 12:00 o'clock.

Respectfully submitted,

Herman Williams, Jr.
Secretary

Fleming, Glover, Gray, Thom and Finley. The Secretary, Assistant Secretary and Assistant Treasurer were also present.

The Chair stated that in the absence of objection the minutes of the Trustees' meeting of October 25, 1965 be approved as written.

The following resolution was unanimously adopted:

RESOLVED: The Board of Trustees of The Corcoran Gallery of Art extends its sincere condolences to Mrs. Lansdell K. Christie on the death of Lansdell K. Christie a valued member of the Council of The Corcoran Gallery of Art and a Benefactor whose interest and generosity helped the Gallery to improve the quality and range of its American painting collection.

It was moved by Mr. Gray and seconded by Mr. Glover that the following be elected to serve until the next Annual Meeting of the Board, and the Secretary was directed to cast one ballot for their election. This motion duly carried and the Chair announced the following as duly elected:

The Chair appointed the following Special Committee on Music to serve until the next Annual Meeting:

Orme Wilson, Chairman
Gordon Gray
David L. Kreeger

There was some discussion of electing new members to The Council of The Corcoran Gallery of Art. The Secretary stated that, in his opinion, in the event that the Board elected to embark on a fund raising effort to improve the Gallery's building and facilities, it would be advisable that the Council be augmented in order to provide additional help in this endeavor. He distributed to each member present a list of some possible names which the members of the Board might consider pending action at a future meeting. He stated that the list was preliminary and tentative and urged the Trustees to suggest additional names.

The Treasurer stated that he had filed his report covering the year ending December 31, 1965. The report showed that income in the operating funds of the Gallery for the year amounted to $544,718.84, against total expenditures of $507,727.82, so that total income exceeded total expenditures by $36,991.02.

The Treasurer's report was received and ordered placed on file.

The Assistant Treasurer then reported on the Operation of the Budget for 1965, which disclosed that the Gallery operated at 95% of the appropriated budget. This report was ordered filed with the Minutes of the meeting.

The Treasurer called the attention of the Board to the fact that it was necessary to appoint a new firm of auditors; whereupon the President was duly authorized to select and retain such a firm.

The Chair then reported that he had received a revised draft of the agreement between Edith Gregor Halpert, The Downtown Gallery and The Corcoran Gallery of Art. He stated that he had examined the draft and found it, with certain modifications, of the same substance as earlier drafts, but that he felt, in several rather minor particulars, the draft submitted should be amended. After considerable discussion, the President was authorized to make any changes he felt desirable in the agreement, to negotiate with Mrs. Halpert's attorney and was further authorized to sign the agreement when in form satisfactory to him.

The request for the loan of the Lake of Terni by Corot in the W. A. Clark Collection to the Lakeview Center of the Arts and Sciences was duly approved.

Mr. Finley then stated that his wife and Mrs. Eustis Emmet wished to have the John Gregory memorial to William Eustis Corcoran removed from its present location in the Benefactor's Room and stored pending determination of a suitable location. The Secretary pointed out that the cost of this move was estimated to approximate $1,000, whereupon the Treasurer, with the approval of the Board, authorized that the budget be increased by that amount.

Discussion then ensued on the desirability of holding a series of subscription concerts in the Clark Ball Room by the Claremont Quartet assisted by various special artists. The Secretary presented the budget which had been worked out to provide the series of concerts for the sum of approximately $8,000. He pointed out that this estimate was made without benefit of the final budget figures for the complete series as advocated by the leader of the Claremont Quartet. He stated that he was in hopes that a subsidy of ppssibly $4,000 to $5,000 from a friend of the Gallery whom he has approached might be forthcoming to provide the necessary total budget for an impressive series of concerts. Mr. Thom suggested that it would be better to hold the concerts as a purely invitational series and that this could in some way be tied into the fund raising effort.

Mr. Finley then brought up the question of the possible disposition of the least desirable, artistically, of the collection of Presidential portraits belonging to the Gallery either by long term loan or sale to the National Portrait Gallery. Considerable discussion ensued and the matter was finally referred back to the Committee on Works of Art for consideration. The Secretary was requested to attempt to secure appraisals of the current market values of the portraits.

The following resolution was unanimously adopted:

RESOLVED: That the thanks of the Board of Trustees be and are hereby extended to Alexander Russo for his loyal services as Chairman of the Faculty of The Corcoran School of Art, during the period May 1964 to February 1966.

The Secretary then read excerpts from the report of the Supervisor of Extension Services covering the period October 1, through December 31, 1965, which showed that Membership has risen to 4,890 an increase of 815

members, the largest since the inception of the program. Income from the Art Rental Service for the quarter showed an increase of $705 for a total of $3,823. For the year 1965 this service produced a total of $12,818.50 an increase of $2,529.50 over 1964. He stated that income from the sales desk for the quarter had dropped from $10,734.33 in 1964 to $8,365.10 in 1965 and that attendance also showed a decrease of 1,769 visitors for the corresponding period of 1964. The total attendance for 1965 showed an increase of 25,681 over 1964 for a total of 170,448. The report was ordered filed.

The following resolutions were unanimously adopted:

RESOLVED: That the following persons, having been found to qualify for promotion in the Association of The Corcoran Gallery of Art, be and are hereby so elected:

BENEFACTOR: The Friends of the Corcoran

DONOR: Mildred M. Hayward

FELLOW: Frank B. Hand, Jr.
George L. K. Morris
Karl F. Rodgers
Hermann Warner Williams, Jr.

RESOLVED: That the thanks of the Board of Trustees be and are hereby extended to the late Mr. John M. Skilling, Jr. for his invaluable and freely volunteered legal services in making the way clear for The Corcoran Gallery of Art to secure a vitally needed addition to its collections which will be in the nucleus of The Gallery of Twentieth Century American Art.

RESOLVED: That the thanks of the Board of Trustees be and are hereby extended to Mr. Herman C. Biegel for his invaluable and freely volunteered legal service in making the way clear for The Corcoran Gallery of Art to secure a vitally needed addition to its collecollections which will be the nucleus of The Gallery of Twentieth Century American Art.

There being no further business the meeting was adjourned at 12:50 o'clock.

Respectfully submitted,

Secretary

March 23, 1966

A special meeting of the Trustees of The Corcoran Gallery of Art was held in the office of Robert V. Fleming at the Lincoln Branch of the Riggs National Bank on Wednesday, March 23, at 10:30 a.m.

The meeting was called to order by Mr. Hamilton the President the other Trustees present being Messrs Fleming, Glover, Thom, Bradley and Finley. The Secretary was also present.

The following resolution on the death of the Honorable Orme Wilson was unanimously adopted:

RESOLVED: That the deep sorrow of each member of the Board of Trustees of The Corcoran Gallery of Art on the death of Orme Wilson be recorded in these minutes. He was vitally interested in the affairs of the Gallery and served from the time of his election as Trustee in 1955 for eleven years.

Mr. Wilson was elected First Vice President on January 26, 1959 and served in that capacity until his death. He was also a valued member of the Committee on Works of Art and the Art School and was responsible for the addition to the collection of numerous important American paintings, sculpture and drawings, the acquisitions of which he made possible through his donations of funds;

BE IT RESOLVED ALSO, That Mr. Wilson's constructive advices not only as an Officer, but as a Trustee of The Corcoran Gallery of Art, will be greatly missed in the years ahead.

BE IT RESOLVED FURTHER, That copies of this Resolution, paying tribute to his memory be transmitted to the members of Mr. Wilson's family.

The next order of business was the filling of the vacancy in the Board of Trustees caused by the death of Mr. Wilson. After discussion, it was moved by Mr. Fleming and seconded by Mr. Finley that David Lloyd Kreeger be elected a Trustee. Whereupon the following resolution was unanimously adopted:

RESOLVED: That David Lloyd Kreeger be and is hereby elected a member of the Board of Trustees of The Corcoran Gallery of Art,

The next order of business related to an offer of purchase of stock held in the Endowment Fund.

The President advised the Trustees that the Gallery, in the Endowment Fund, holds 1,030 shares of Julius Garfinckel & Company common stock and he called to their attention that Genesco, Inc. had publicized an offer to purchase the common stock of Julius Garfinckel at $43.50 net to the seller.

Mr. Fleming advised the Trustees that he was a Director and Member of the Executive Committee of Julius Garfinckel & Company and as the Directors of the Company had voted unanimously to stand behind management and not tender their own shares, that he must disqualify himself, due to conflict of interest, in voting on this matter as a Trustee of the Gallery.

After considerable discussion it was moved and seconded that the common stock of Julius Garfinckel & Company owned by the Gallery not be tendered under the Genesco offer, nor any other action in connection with these shares be taken at this time. All Members of the Trustees present voted in favor of the motion with the exception of Mr. Fleming, who abstained. The motion was therefore passed.

There being no further business, the meeting was adjourned at 11:45 a.m.

Respectfully submitted,

Secretary

The Women's Committee
of The Corcoran Gallery of Art
Washington 6, D. C.

January 13, 1966.

Dear Mr. Russo,

I am writing to clarify the financial arrangements between the Women's Committee of the Corcoran Art Gallery and the Library of the Art School. At our September Board Meeting we voted twenty-five hundred dollars ($2500) to underwrite the cost of maintaining the Library according to the plan outlined in your letter. This appropriation covers the period January 1,1966 to December 31, 1967. If the Library will submit bills to our Treasurer we will pay them directly to the recipients so that we can have cancelled receipts for all expenditures in connection with the Library. The expenses should naturally be pro-rated at approximately two hundred dollars per month to cover the twenty five hundred dollar grant for a twelve month period.

I trust this is a satisfactory arrangement and I am sending a copy to Mrs. Kovner for her information. During his brief stay in Washington, Mrs. Jarman and I met with Mr. Williams and Mr. Myers to discuss establishing proceedures for the Library. When he returns he plans to make a complete survey of the location, use and proceedures of the Library.

If there are any questions about this plan, I hope you will let me know.

Sincerely yours,

Mrs, John F. Simmons

SUBJECT: 1966 Budget

On or about December 6, 1965 the Treasurer's Office will start preparing the 1966 Budget.

I wish to thank all departments for past cooperation in submitting requests in time. Your cooperation in the past years has brought such results that all expenditures have been within the Budget Allowance. Again I appeal to all department heads to gather all pertinent data and forward to the Comptroller's Office.

Re: 1966 budget items: repairs, equipment and supplies

SUPPLIES

There should be an item for more class admit slips and student permanent cards which will be needed toward the end of the year.

EQUIPMENT

Continue purchasing or renovating easles at the rate of 10 to 20 a year.

Frame for school announcements to be affixed outside New York Ave. entrance

Four drawer file cabinet to match present office furniture

Desk lamp for Dean's office

Construction of two more low bookcases for library

Air condition office for summer school comfort

20 more lockers to be placed in #4.

REPAIRS

Improved lighting in student gallery and all hallways -- stronger lights

Fluorescent lights (warm and cold) in all painting studios which do not now have them: #3 and #4 and in night drawing and design rooms: #11, #12, #7.

Improvement in lighting in #2 where there is a dead area

Paint office white and cover present perforated walls with homesote or burlap in student gallery.

Continue policy of repainting selected studios during summer; repaint hallways with white paint this summer. Back hallway particularly needs attention.

Entrance at New York Avenue needs imagainative re-doing to make it an attactive entrance to school.

Fix doors to school office: don't lock properly now and are extremely heavy. Cut down like entrance to auditorium.

Replace sink in #2 which was lost when dark room was built. Necessary

Covert #14 to Graphics press room if comparable space in Gallery is allotted to school to take care of painting and drawing classes now meeting there.
